

Engr. Syeda Aimen Naseem

ASSISTANT PROFESSOR

Contact Information:

Email: anaseem@uit.edu

Ext.: 3015

Qualification

- ME specialization in Communication and Signal Processing from Usman Institute of Technology in 2013
- BE in Electronics from Usman Institute of Technology in 2011

Area of Specialization

- Signal Processing

Work Experience

- Lecturer at Usman Institute of Technology from 2014 till Present
- Junior Lecturer at Usman Institute of Technology from 2012 till 2013
- Lab Engineer at Usman Institute of Technology from 2011 till 2012

Membership & Affiliation

- Registered Engineer in Pakistan Engineering Council (PEC)

Research Interests

- Signal Processing

Courses Taught

- Introduction to Nanotechnology
- VLSI Design
- Basic Electronics
- Linear Circuit Analysis
- Labs instructed: Linear Control Systems , Electronic Devices And Circuits , Digital Signal Processing, Amplifiers And Oscillators, Antenna And Radiating System, Industrial Electronics, Satellite Communication, Communication System, Instrumentation & Measurement and Digital Logic Design
