

Engr. Fizza Hussain

Lecturer

Contact Information:

Email: fhussain@uit.edu

Ext.: 3015

Qualification

- **Masters in Electrical Engineering,**
National University of Sciences and Technology, (NUST- SECS), Islamabad, 2016
- **Bachelors in Telecommunication Engineering,**
National University of Computer and Emerging Sciences, (NUCES-FAST), Karachi, 2011

Area of Specialization

- Computer Networking
- Telecommunication

Work Experience

- **Lab Engineer**
National University of Computer and Emerging Sciences, (NUCES-FAST), Karachi, (Aug 2011-Aug 2012)
- **Member of Technical Staff (MTS)**
xFlow Research Incorporation, Islamabad, (June 2013-December 2013)

Membership & Affiliation

- Pakistan Engineering Council (PEC)

Research Interests

- Software-defined Networking
- Network Virtualization
- Next-generation IP Networks
- Internet of Things

Courses Taught

- Data Structures and Algorithms
- Signals and Systems
- Engineering Circuit Analysis
- Physics for Engineers
