

Masood ul Haq

Professor & Head, Department of Basic Sciences & Humanities

Contact Information:

Email: muhaq@uit.edu

Ext.: 3094

Qualification

- (1)M.A.(Mathematics) ;(2) .M.Sc.(Applied Mathematics)
- (1)Hawaii University (USA); (2) Karachi University

Area of Specialization

- Mathematical Statistics
- Real Analysis

Work Experience

- supervisor of Mathematics;
- Supervisor of different mathematics and statistics subjects(sampling, Inference, Estimation)
- Karachi University; Hamdard University

Membership & Affiliation

- (1) Pakistan Statistical Association ; (2) Affiliation with CBM (Karachi: as Referee of research J)

Research Interests

- Order Statistics & Reliability Theory

Courses Taught

- Advanced Calculus; Differential Equations; Algebra; Numerical Analysis ;Statistics

Publications & Conferences

1. E.Husain,Masoodul Haq ;"Reliability Analysis for two components connected in parallel with Lindley Probability Model " International Journal of statistics in medical research;2015,4,199-202
2. E.Husain,Masoodul Haq ; "Pakistan Export Earnings –Analysis 2009-2011" Pakistan Journal of Engineering Technology & Sciences.Vol.2,No.1,2012
3. A.Khurshid,E.Hussain,Masoodul Haq. "A note on finding peakedness in bivariate normal distribution using MATHEMATICA" Pakistan Journal of Statistics and Operation Research. Vol.III, No.2, 2007
4. M.Iftikhar Mubashir ,Masoodul Haq . "Evaluation of cost in the maintenance of a system" Third Mathematical Colloquium ;Pakistan Business Review January 2010,Vol.11,No.4
