

Shehla Andleeb

Lecturer

Contact Information:

Email: shandleeb@uit.edu

Ext.: 3015

Qualification

- M.Engg (Electronics) , N.E.D.U.E.T.

Area of Specialization

- Electronics
- Telecommunication

Work Experience

- Lecturer, Usman Institute of Technology, 2 years
- Total 8 years (Industry and Academics)

Membership & Affiliation

- IEEEEP
- IEP

Research Interests

- Biomedical engineering and Electronics

Courses Taught

- Linear Circuit Analysis
- Electrical Network Analysis
- Professional Ethics
- Technical Report Writing
- Applied Thermodynamics

Publications & Conferences

1. Shehla et al., **“Study of alternative mobile application development frameworks for maintaining a single Code Base”**, The Pakistan Engineer, Vol 61, Issue 1, p/7, ISSN 1024-6223 (2014).
2. Shehla et al., **“Impact of management information system implementation using virtualized oracle database on manufacturing enterprises, A case study”**, International journal of scientific & engineering research, Vol 5, Issue 8, ISSN 2229-5518 (2014).
3. Shehla et al., **“How photovoltaics are more advantageous than other power generation technologies?”** The Pakistan Engineer, Vol 61, Issue 3, p/26, ISSN 1024-6223 (2015).
4. Shehla et al., **“Analysis of tumors through image processing techniques”**, 4th International Molecular Biology And Biotechnology Congress and Conference On Life Sciences Research – Sep 2015, Isra University, Islamabad.
5. Shehla et al., **“A survey on Women participation in experiential learning for engineering professional development”**, International conference on women in development – Nov 2015, IoBM, Karachi.
