

Engr. Zohaib Jawaid

Assistant Professor.

Contact Information:

Email: zjawaid@uit.edu

Ext.: 3099

Qualification

- M.Engg. (Electronic Engineering)
- NEDUET.
- 2011.

Area of Specialization

- Industrial Electronics.
- Electronic Design Automation.

Work Experience

- Assistant Professor.
- Usman Institute of Technology (NEDUET)
- 3 years (April 2013 – Present).
- Project Engineer.
- Limton Group of Companies.
- 5 years (January 2008 – April 2013).

Membership & Affiliation

- Member of Pakistan Engineering Council.
- Member of The Engineers Group.

Research Interests

- Electronic Design Automation.
- Embedded Systems.
- FPGA Based Digital System Design.

Courses Taught

- Digital Logic Design.
- Electronic Devices and Circuits.
- Microprocessor Based Systems.
- Electromagnetic Field Theory.
- Electronic Circuit Design.
- Instrumentation and Measurements.
- Linear Circuit Analysis.
